Stalactite

Adin Ljuca

To attain that beauty – you must be patient, like
a stalactite. To drip and wait. And fulfill no one's
expectations. Sparingly drip to completion the words that
have poured over from a world that no longer exists into
a body that is no longer the one consigned to you once.
If they discover you, or if you open up to them, your end
awaits you. Until then – only quiet underground work and
patience. Only darkness, and the silence of dripping.
