## Stalactite

Adin Ljuca

To attain that beauty - you must be patient, like  
a stalactite. To drip and wait. And fulfill no one's  
expectations. Sparingly drip to completion the words that  
have poured over from a world that no longer exists into  
a body that is no longer the one consigned to you once.  
If they discover you, or if you open up to them, your end  
awaits you. Until then - only quiet underground work and  
patience. Only darkness, and the silence of dripping.
